Why invest in pet food?

Pet food in the Philippines is projected to grow rapidly in the next 10 years.

Covid-19 pandemic has led to big shifts across the region, with e-commerce particularly driving the growth due to change in consumer buying behaviors.

In line with our goal to feed humanity, we are committing ourselves to broadening the definition of nourishment and nutrition to feed man's best friend.

Our diets are based on cutting-edge nutrition for Cats and Dogs by applying the highest precision from feed formulation based on The Association of American Feed Control Officials (AAFCO) + European Pet Food Industry Federation (FEDIAF).

How can customers be sure that pet food from Pilmico & Gold Coin are safe and of high quality?

Can I be disqualified from being an online reseller?

Acceptable returns will only cover the following conditions:

- Damaged packaging (must be returned during delivery)
- Quality-related product complaints from pet owners (such as but not limited to : kibble condition (discoloration, smell, stickiness); infestation
- If complaint is on packaging, product to be returned must be sealed.
- For infestation, $\frac{3}{4}$ of the content of the bag should still be intact

Can I be disqualified from being an online reseller?

- This program is exclusive to online resellers only. Once customer has decided to venture to brick and mortar, his/her account will be transferred to the specialist trade channel (SPT).
- Failure to follow Pilmico's SRPs.
- Failure to provide prompt payment during delivery on two separate occasions.
- Usage of digital assets other than what is provided.
- Creation of programs and promotions that were not previously approved.
